

**TER
RACE**
MILANO

An aerial night photograph of a modern skyscraper in Milan, Italy. The building features a distinctive design with a grid of windows and a top section with vertical slats. It is illuminated from within, and its reflection is visible in the surrounding urban landscape. The city lights of Milan are visible in the background, and a multi-lane road with some traffic is in the foreground. A white text box is superimposed over the center of the image.

170mq ESTERNI

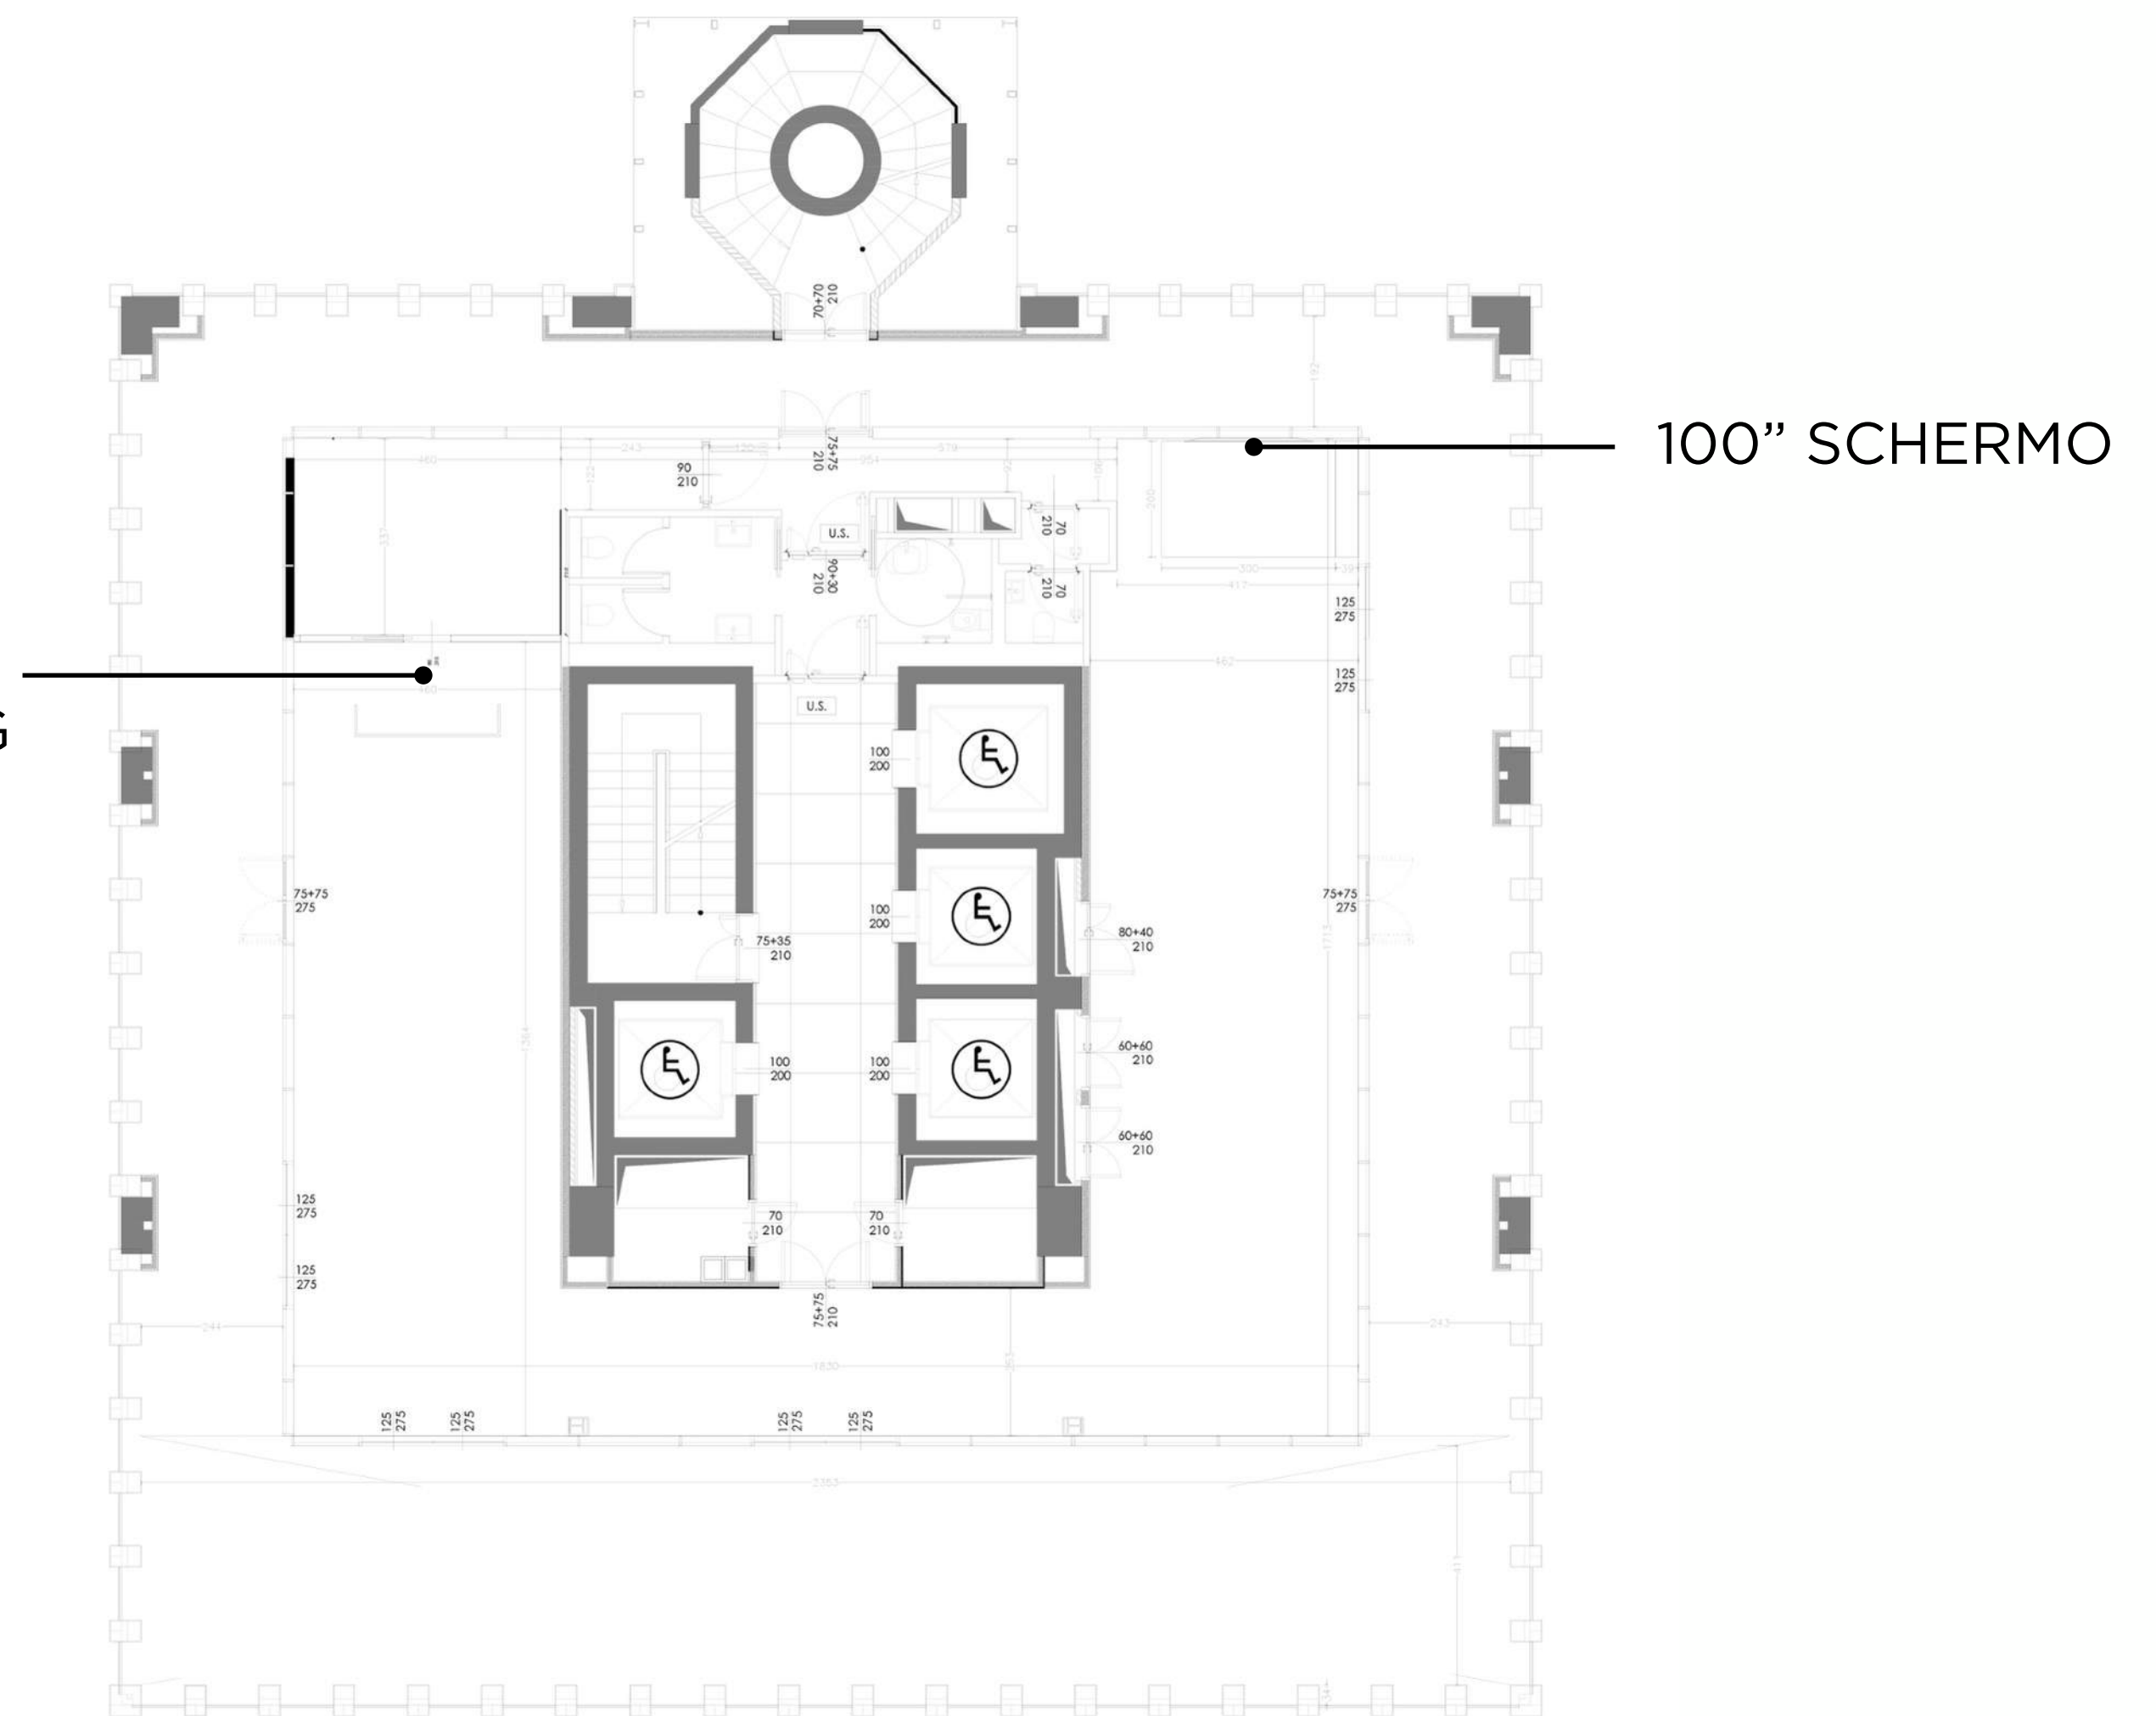

An aerial photograph of a rooftop terrace. The terrace is a rectangular platform with a metal frame and glass railings. It is filled with people sitting on the floor, some in groups and some alone. There are several small, colorful lights (red, blue, green, yellow) scattered across the terrace. The terrace is surrounded by a city street with cars and buildings. In the foreground, there are solar panels and air conditioning units. The text "VISTA A 360° SULLA CITTÀ" is overlaid in the center of the image.

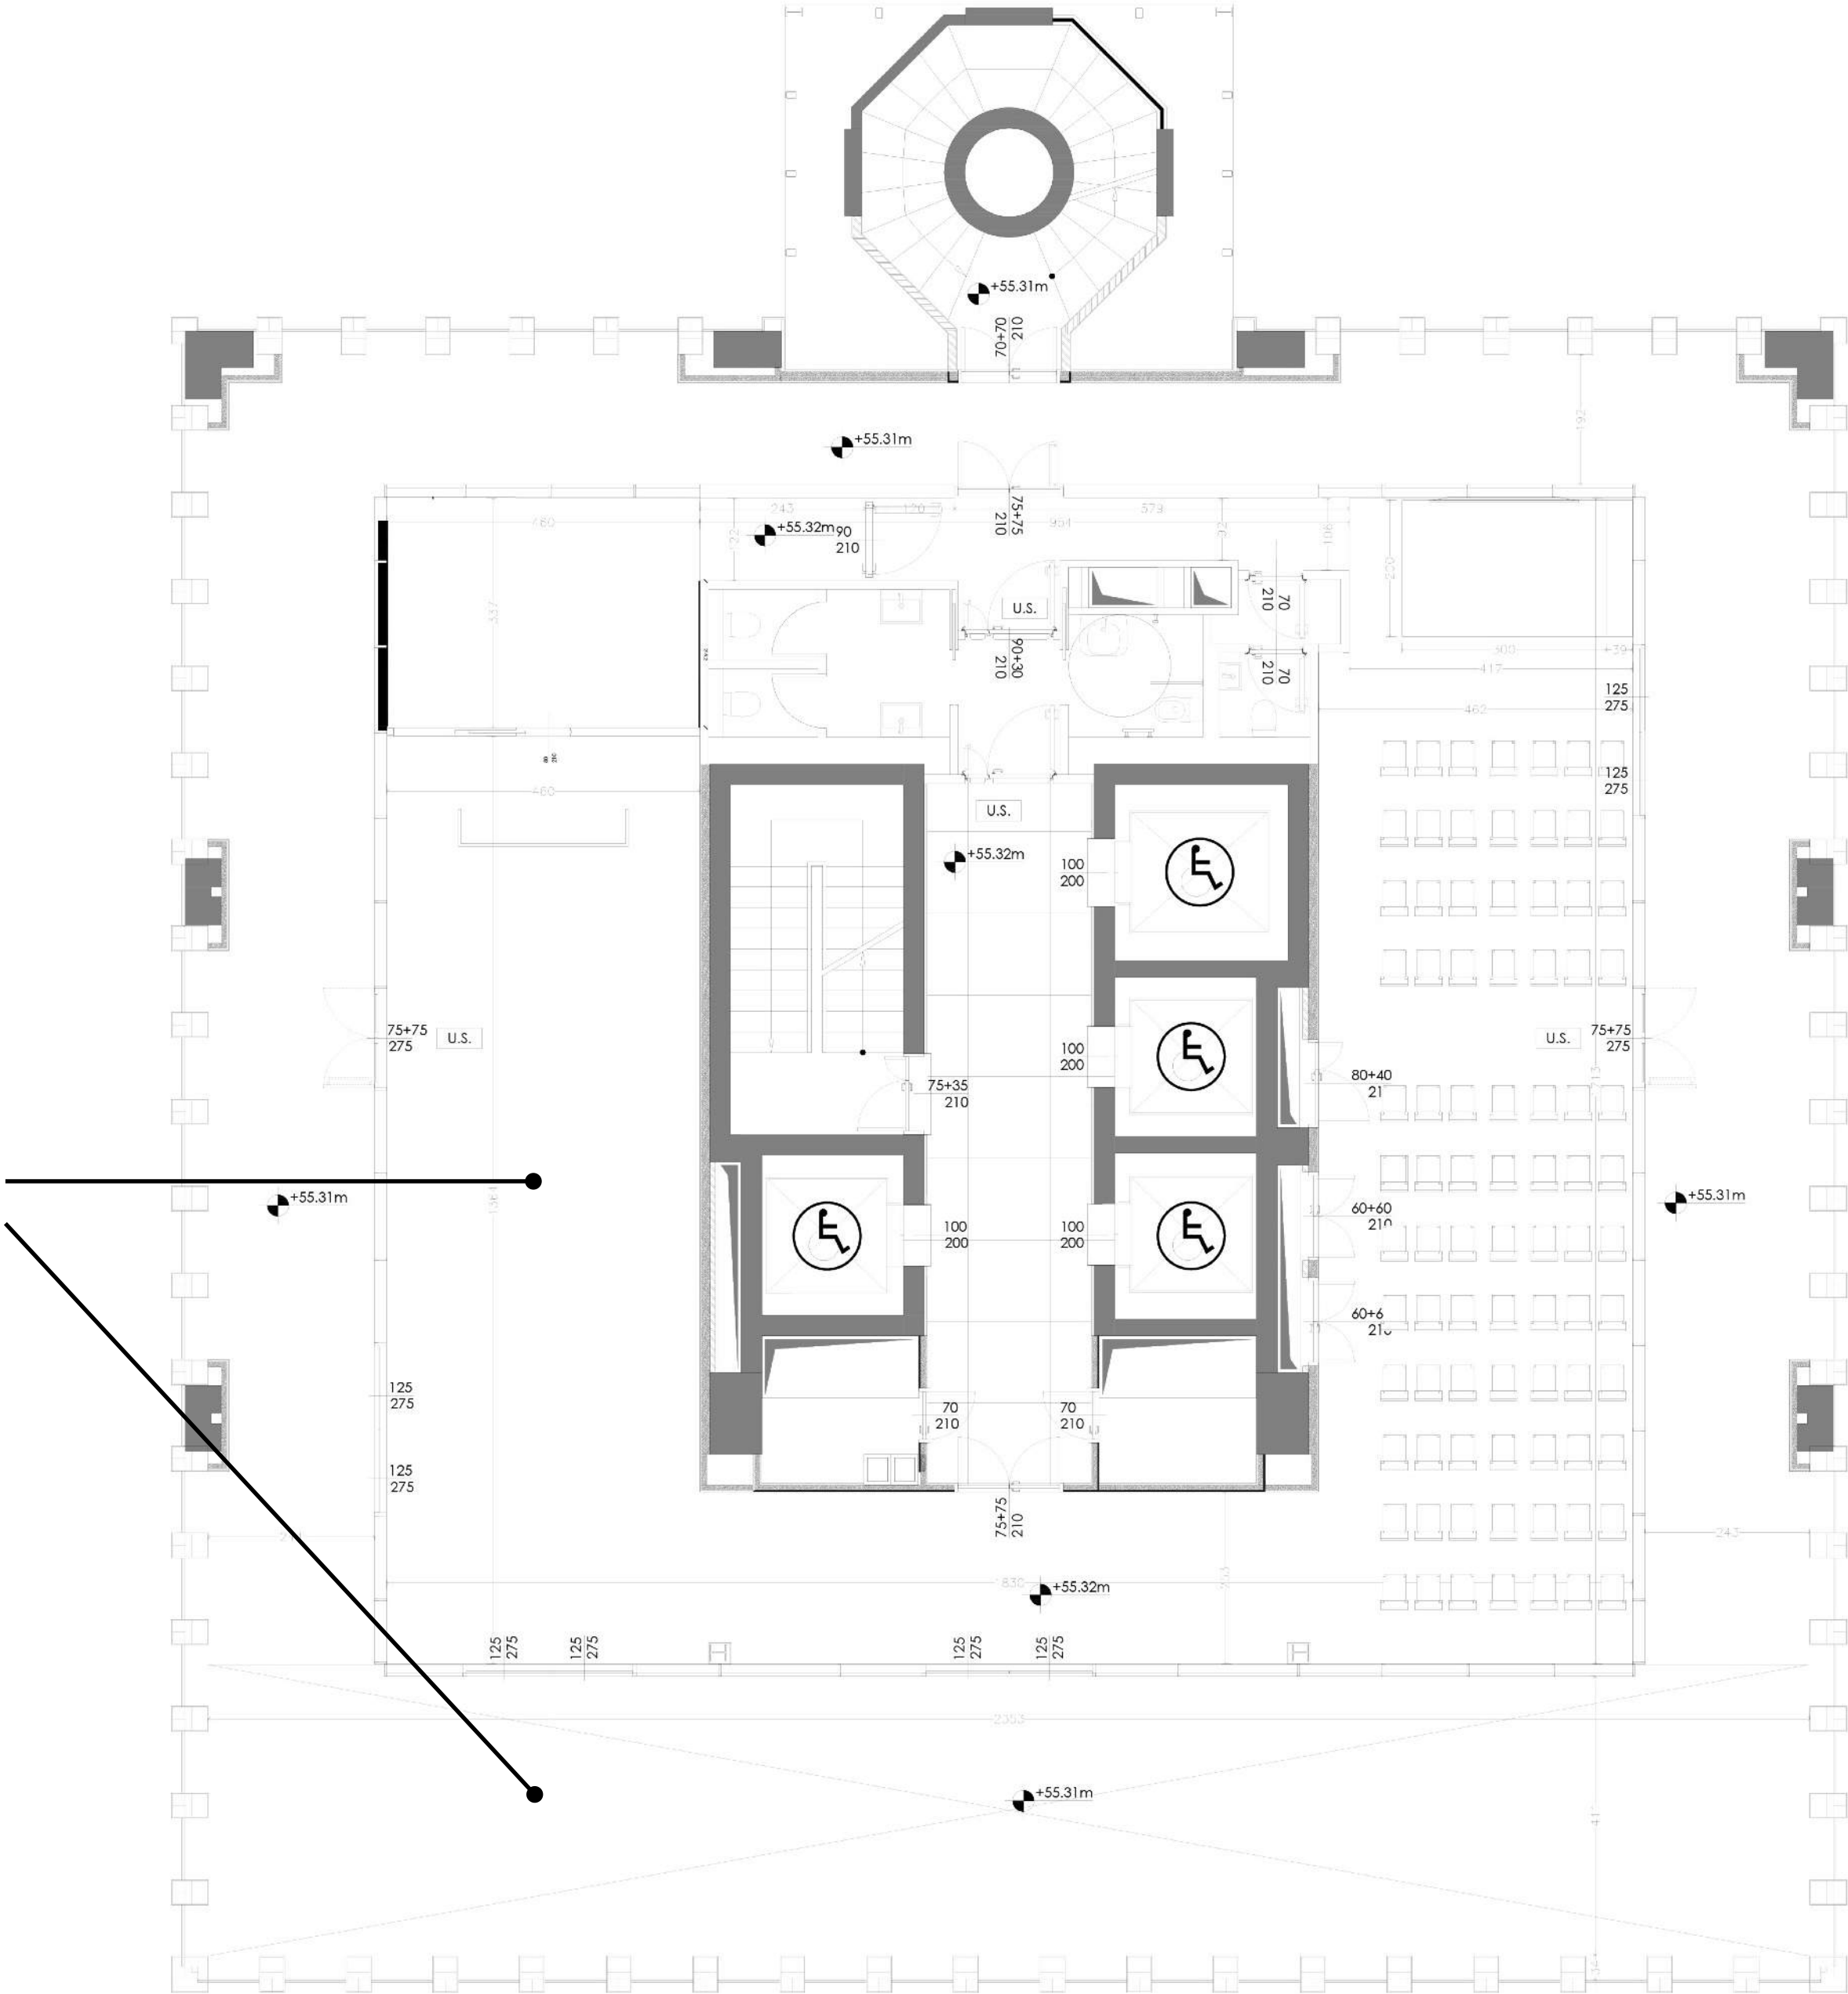

VISTA A 360° SULLA CITTÀ

A 3D architectural rendering of a multi-story building, showing the top floor plan and several lower floors. The top floor is detailed with rooms and a central courtyard. The lower floors are shown in a perspective view, revealing the building's structure and the repeating pattern of windows and balconies.

6 km dall'uscita
Tangenziale Ovest

A nighttime aerial photograph of a cityscape, likely Milan. In the foreground, a large, multi-story building with a dark roof and many lit windows is visible. To its right, a river flows, reflecting the city lights. A bridge crosses the river, and a road with a few cars is visible. In the background, several tall, modern skyscrapers are illuminated against a dark sky with a hint of sunset or sunrise. The overall scene is a mix of urban architecture and natural elements.
